Professional Summary

Computer Science and Engineering graduate with a foundation in software development, programming, and computer networking. Gained practical experience through academic projects and networking training, including network configuration and troubleshooting using Cisco devices. Skilled in problem-solving and adapting to new technologies, with a focus on developing practical and reliable solutions.

Experience

CCNA Networking Training *2026*

Networking Fundamentals

- Gained hands-on experience with Cisco routers and switches, IP addressing, subnetting, VLANs, routing, and basic network configuration.
- Practiced network troubleshooting and connectivity analysis using Cisco Packet Tracer.
- Worked with basic LAN and WAN concepts and configured network devices to establish and troubleshoot connectivity.

Technical Skills

Programming: Python, Java, C, SQL

Web Technologies: HTML, CSS, JavaScript

Networking: TCP/IP, OSI Model, IP Addressing, Subnetting, VLANs, DHCP, DNS, Routing, Switching, Basic Network Configuration and Troubleshooting

Networking Tools & Devices: Cisco Packet Tracer, PuTTY, Cisco Routers, Cisco Switches

Database: MySQL

Development Tools: VS Code, Git, Windows

Professional Projects

Driver Drowsiness Detection System *2025–2026*

- Developed a real-time driver drowsiness detection system using Python, OpenCV, Dlib, and Machine Learning.
- Implemented fatigue detection using eye blink, yawning, and head movement analysis.
- Applied Random Forest classification and integrated Firebase, Flutter, and Twilio API for alerts and live GPS emergency notifications.
- **Technologies:** Python, OpenCV, Dlib, Scikit-learn, Flutter, Firebase, Twilio API

Gym Management System *2024–2025*

- Developed a web-based system for member registration, attendance tracking, and subscription management.
- Implemented responsive frontend design and MySQL database integration.
- **Technologies:** HTML, CSS, JavaScript, MySQL

Education

B.Tech in Computer Science and Engineering **CGPA: 7.49**

APJ Abdul Kalam Technological University *2022–2026*

12th **94.75%**

Directorate of Higher Secondary Education *2020–2022*

10th **100%**

Kerala Board of Public Examination *2019–2020*

Certifications

- Cisco CCNA – Networking Fundamentals Training (2026)
- Internship in AI and Data Science – NextGenPro Innovations (2025)
- Introduction to Operating Systems – NPTEL Online Certification (2025)
- Infosys Course Completion Certificate – Infosys (2025)
- Python Zero to Hero – Devtown with Microsoft Student Chapter-MSIT (2025)
- Cyber Security Workshop – HACKTIV, DYUKSHA23, NSS College of Engineering, Palakkad (2023)
- Netflix Clone Using HTML (2025)

Languages

English – Fluent **Malayalam** – Native **Hindi** – Fluent
